

# LOUKOUMADES

*Loukoumades are the Greek version of doughnuts  
- round, fluffy, sweet honey balls  
- which are deep fried to golden and crispy perfection.  
The dessert first originated in Ancient Greece,  
where they were called "honey tokens"  
and were awarded to winning Olympic athletes.*

*Loukoumades are traditionally served soaked  
in hot honey syrup, sprinkled with cinnamon  
and garnished with chopped walnuts.*
